

## Personal Information/

1. **Full name/:** Arwa Alyami
2. **Gender/ :** female
3. **Nationality/:** Saudi
4. **Email/:** aalyami@kent.edu

## Education

- **Bachelor of physics - Excellent grade average 4.61 of 5 Najran University, Saudi Arabia – 2012**
- **Paid special attention to group work and collaborative assignments**
- **Dedicated time for organizing various events that helped me develop strong teaching skills High school certificate**
- **Najran, Saudi Arabia – 2008**
- **I got scholarship to U.S.A - 2015.**
- **Study English language at ELI Hartford -CT (2015-1016)**
- **Master of science spring 2019 with a GPA 3.648 of 4 Kent State University.**

## Training

- **Attended training at NJU the following areas:**
- **students' examination and evaluation systems**

- **Quality standards in the educational process**
- **Recent trends in teaching**
- **Teaching strategy session**
- **The concepts of quality in the educational process**
- **The preparation of the program report**
- **The preparation of the course report**

**Teaching** Najran University 2013 • 2015

**Teaching some physics laboratories classes such as:**

**Introduction to Physics (Practical), Electricity Practical, light AND waves Practical, Modern Physics Practical and Experimental nuclear and Solid state physics**

**Research (paper)**

- **Study of chemical disorder in  $\text{Ni}_{1-x}\text{V}_x$ . to be published soon**
- **Short range order in Ni-Cr alloys to be published**
